Est. Fair Market **ESTIMATED FAIR MARKET VALUE**. In addition to the assessed value, Wisconsin law requires that your taxation district show the estimated fair market value of taxable property on property tax bills for all classifications except agricultural land. This estimated fair market value reflects the approximate market value of your property as of January 1 of the year shown at the top of this bill. Note: Land classified undeveloped or agricultural forest is assessed at 50% of market value under Wisconsin law. Additional property value information may be available on your municipality or county website. (See below: Use Value Assessment)

Referenda / Resolutions For informational purposes only - Wisconsin law requires information to be displayed for any temporary property tax increases approved through a referendum or resolution by a county, municipality, school district, or technical college. If you would like more information, contact the taxing jurisdiction directly.

Use Value Assessment Wisconsin law does not require that the estimated fair market value be shown for agricultural land. Any parcel benefiting from use value assessment may be subject to a penalty under sec. 74.485, Wis. Stats., if the use of the parcel changes. For more information, contact your local assessor or the Wisconsin Department of Revenue, PO Box 8971, Madison WI 53708-8971.

Est. Fair Market **ESTIMATED FAIR MARKET VALUE**. In addition to the assessed value, Wisconsin law requires that your taxation district show the estimated fair market value of taxable property on property tax bills for all classifications except agricultural land. This estimated fair market value reflects the approximate market value of your property as of January 1 of the year shown at the top of this bill. Note: Land classified undeveloped or agricultural forest is assessed at 50% of market value under Wisconsin law. Additional property value information may be available on your municipality or county website. (See below: Use Value Assessment)

Referenda / Resolutions For informational purposes only - Wisconsin law requires information to be displayed for any temporary property tax increases approved through a referendum or resolution by a county, municipality, school district, or technical college. If you would like more information, contact the taxing jurisdiction directly.

Use Value Assessment Wisconsin law does not require that the estimated fair market value be shown for agricultural land. Any parcel benefiting from use value assessment may be subject to a penalty under sec. 74.485, Wis. Stats., if the use of the parcel changes. For more information, contact your local assessor or the Wisconsin Department of Revenue, PO Box 8971, Madison WI 53708-8971.
